\*During the work week, **Mon-Fri**, if you intend to use your boat after hours, please call the office **by 4:00 PM** to have your boat launched before we close. On weekends, we are not able to take launch requests by phone.

**As a reminder, please do not forget to:**

- Install your drain plug before requesting a launch**
- Stow your antennae in the "down position" when you are ready to have the boat returned to the rack**
- Return trim tabs to the "bow up" position, fully retracted**

- Return the outboard or outdrive to the "straight-ahead" position when you are ready to have the boat returned to the rack**
- Have lines and fenders visible or outside of cover**
