Marine Contractor Rules and Regulations

Marine Contractors must adhere to the following:

1. Sign a Commercial Contractor Agreement, Rules and Regulations.
2. Meet the following insurance requirements and have current documentation such as Certificate of Insurance (COI) and Declarations page on file with the Marina Office:
 - \$2,000,000 aggregate of General Liability, with \$1,000,000 limit per occurrence
 - \$1,000,000 limit per occurrence of Marina Operators Legal Liability (MOLL), also known as Marine Contractor Legal Liability (MCLL), Ship Repairers, Watercraft Repairers, Marine Artisan, or Bailees
 - \$ 100,000 Pollution liability coverage (also called Sudden & Accidental Pollution)
 - \$1,000,000 Automobile Liability combined single limit – COMMERCIAL vehicles,
- **OR** - \$250,000 Property Damage coverage – PERSONAL Auto insurance
 - Worker's Compensation coverage for companies with employees,
- **OR** - Signed Workers Compensation Wavier
3. Follow marina working hours which are as follows: Weekdays 8:00 am to 6:00 pm
_____ (please initial)
4. Sign in on each boat (rather than each day) on which they work.
5. No open-air spraying. Shall use tarp under boat and dustless sander. Bring your own tools, ladders and extension cords, etc. WE DO NOT LOAN THEM. If you do not clean up your area, we will and you will be charged accordingly.
6. Comply with BJYY's environmental policies. We support all kinds of recycling and expect you to do the same.
7. Do NOT move jack stands - see Marina Office to schedule a jack stand move.
8. Shall not work on pier as a workbench, not block or damage the piers at any time.
9. Shall hold Bert Jabin Yacht Yard harmless from actions of third parties brought as a result of acts of the contractor.

I HAVE READ AND AGREE TO ABIDE BY THE MARINE CONTRACTOR RULES AND REGULATIONS.
